An Insidious Danger

One of the worst features of kidney trouble is that it is an insidious disease, and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Remedy at the first sign of trouble, as it corrects irregularities and prevents Bright's disease and diabetes. L. S. Simmons.

School Election

Unusual interest was shown in the school election last Friday afternoon when 178 votes were cast for the two candidates. The votes stood 56 for Mrs. F. T Duhring and 122 votes for Dr. A. M. Thomson.

Object to Strong Medicine

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment to get quick relief. Try it. For sale by L. S. Simmons.

Suggestions by Dr. Blue

The following letter was received by Health Officer Dr. A. E. Hardin of Petaluma on Saturday:

Dr. H. Evan Hardin, Health Officer, Petaluma, California. Dear Sir: I would respectfully urge upon your board of supervisors or board of health, the necessity of immediately carrying out the following anti-plague measures, namely:

First, the systematic poisoning and trappnig of rats and ground squirrels.

Second offering a capitation fee of 10c for rats and 25c for ground squirrels.

Third, the use of tight metal garbage cans with [illegible] in all towns and settlements.

Fourth, the disposal of all organic refuse by incineration.

It is hoped that the above mentioned measure will be prosecuted through the spring and summer and fall in the bay counties of the State of California. Respectfully,

Rupert Blue,

P. A. Surgeon Commanding.

Important Decision

It is important that you should decide to take only Foley's Honey and Tar when you have a cough or cold, as it will cure the most obstinate racking cough and expel the cold from your system. Foley's Honey and Tar contains no harmful drugs. Insist upon having it

Preserving Eggs

The water grass method is now so widely adopted that all other methods, such as picking in lime, packing in salt, or greasing, may be put to one side. The poultry keeper of to day must be up-to-date in every phase of his business, and in egg preservation he cannot afford to be behind hand. The preparation known as water glass (silicate of soda) is now sold in tins, and is added to water which has been boiled and allowed to cool, in the proportion of one part of the preparation to six to ten of the water. After being well stirred the mixture should be poured into an earthenware vessel, when the eggs should be placed in as laid. In this way they will retain their freshness for months. The water glass may be obtained from any first-class druggist, or from poultry supply houses.

In No Hurry.

The story that a commercial traveler once registered at a country hotel, and upon retiring for the night was assigned to room 20. During the night a fire broke out in the hotel, and the night clerk hurried through the building knocking at the doors to warn the guests of the impending danger. In due course he arrived at the room occupied by the commercial traveler, and, knocking violently, shouted to the sleeping occupant to get up at once. "What's the matter?" returned the guest. "A fire has broken out in the building. Get up quick!" yelled the clerk. "Where is the fire now?" inquired the guest. "It has reached room 10. For God's sake get up!" "Well," remarked the guest, sleepily, "wake me up again when it reaches room 19."

For Constipation

Mr. L. H. Farnham, a prominent druggist of Spirit Lake, Iowa, says: "Chamberlain's Stomach and Liver Tablets are certainly the best thing on the market for constipation." Give these tablets a trial. You are certain to find them agreeable and pleasant in effect. Price, 25 cents. Samples free. For sale by L. S. Simmons.

Convent Boys Win

At a lively game of baseball played last Friday afternoon between teams of the local Grammar and Convent schools, the latter won by a score of 46 to 8.

Affords Perfect Security

Foley's Honey and Tar affords perfect security from pneumonia and consumption, as it cures the most obstinate coughs and colds. We have never known a single instance of a cold resulting in pneumonia after Foley's Honey and Tar had been taken. L. S. Simmons.

Out of 91,000 Northern California sheep examined for scabies a band of only twenty were found that were free from the pestilence

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's sub-division, for these lots are gilt edge and Sonoma is a growng city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real property—they bought when property was low and sold when it was high.

They were far-sighted—they were careful to buy in locations where trade would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy to-day—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma Cal.

"Pop" Goes a Fishing

"Pop" Hibbert was at Wingo the first of the week visiting a friend and while there tried his luck at fishing. He succeeded in landing a sixteen-pound bass and several catfish. The high winds made it impossible to keep the boat in the most desirable places, or "Pop" would undoubtedly made a record catch. He will try it again.

$100 REWARD, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

High School Dedication

An interested gathering of friends and patrons of the Sonoma Valley Union High School, enjoyed the dedicatory exercises held in the assembly room of the new high school building on Broadway last Saturday evening. President of the Board, Robt. A. Poppe, was the master of ceremonies, and with a few introductory remarks, opened the exercises.

The first on the program was an instrumental solo by Miss Emily Poppe, whose clever rendition was generously applauded. The principal speaker of the day, Rev. E. B. Payne, of Glen Ellen, was unable to be present. De Witt Montgomery, a former principal of the school, now our efficient county superintendent of schools, was present and gave a short but splendid address and convinced his hearers that a high school education is of great and lasting benefit to a person in any of the walks of life. Would that everybody in the valley could have heard him. Miss Helena Clewe sweetly sang a song which was greatly enjoyed and received hearty applauses from the audience.

Among those who made brief remarks at the meeting were R. H. Piatt, Principal Geo. C. Russell, Robt. P. Hill, sec'y of the board, and F. T. Duhring. Mr. Duhring made a motion that the building be dedicated as a high school and putting the question, it was carried unanimously by a rising vote. The high school class gave a well rendered chorus. The audience then rose and sang America, after which, Pres. Poppe dismissed the audience.

Death of Mrs. Schutter

Last Wednesday evening at her home in Elmhurst, Mrs. Schutter, a former well known resident of this valley, passed to her eternal home. Deceased was a sister of Sol Carriger and Mrs. L. L. Lewis of this valley, and the late Boggs Carriger of Red Bluff. She was the mother of fifteen children, nine of whom survive the loss of a noble and affectionate mother. The youngest child is now 17 years of age. Mr. Schuttler passed away several years ago.

The funeral will take place in Oakland to-morrow morning and the remains will be interred beside those of her late husband in Mountain View Cemetery.

WE ARE INVITED

The following letter received explains itself.

Editor of the Sonoma Expositor,
Sonoma, Cal.

Dear Sir:—The Chamber of Commerce of Santa Rosa, has appointed a committee to arrange for a celebration on the coming Fourth of July. The committee wishes to make this the grandest celebration ever held in this county, and it is the desire of the committee to have the whole county come and celebrate with us. We extend to you and through your paper to the people of your city and vicinity, a most cordial invitation to come to Santa Rosa and help in celebrating the national day, "The Glorious Fourth of July."

Yours Truly,
Committee on Celebration.

School Principal Resigns

E. M. Cox, for the past few years supervising principal of the Santa Rosa schools, has tendered his resignation and will sever his connection with the schools there at the close of the present term.

Election Monday

The regular election for city officers will be held in the new city hall next Monday between the hours of 6 a. m. and 6 p. m. Two trustees, one clerk, one marshal, one treasurer, are to be elected. Each registered voter has received a sample ballot, a list of candidates to be voted for and a card of instructions. The election promises to be a very quiet one. Probably 200 votes will be cast.

L. Quartaroli, R. A. McDonel and G. H. Hotz are candidates for trustees, two to be elected. All three candidates favor public improvements.

Jas. H. Albertson, incumbent, and John A. Stockwell are running for marshal, while Jesse Burris and Joseph B. Small have no opposition for treasurer and clerk respectively.

Santa Rosa Election

One of the most hotly contested city elections that was ever held, took place in Santa Rosa last Tuesday from 8 to 6 p. m. Over 1800 votes were cast, the largest number in the history of that city.

Jas. H. Gray, representing the progressive element and the nominee of the Democratic-Republican fusion ticket, for mayor, ran against R. L. Thompson, the champion of the Municipal League, the so-called reform element. The main fight was on this office, although some of the other nominees had a warm contest.

The result is as follows: The entire Democratic-Republican tecket being elected:

FOR MAYOR

Jas. H. Gray, 1081; R. L. Thompson, 762.

FOR COUNCILMEN

Fred C. Steiner (d.-r.) 158; Aug. Ketterlin (m.-l.) 133; Aubrey J. Barham (d.-r.) 194; A. O. Erwin (m.-l.) 169; C. Fred Forgett d.-r.) 219; A. C. McMeans (m.-l.) 68; Eugene Brownson (d.-r.) 200; Scott Gilbert (m.-l.) 92.

Those elected from the four wards are:—Fred C. Steiner, A. J. Barham, C. Fred Forgett and Eugene Bronson.

There was only one candidate for recorder, clerk and assessor, the following men were re-elected to those offices respectively:—W. P. Bagley, C. D. Clawson and Henry Silvershield.

C. C. Williams.

Charley C. Williams, the well-known proprietor of "The Mercantile" in Petaluma has opened a new place of business in a fine new building at the corner of Commercial and Front streets in San Francisco. Charley has a swell place, and would be pleased to have his many friends in this section call and see him when in the metropolis. He keeps constantly on hand a good supply of all the leading and reliable brands of wet goods. If you don't know him, call and get acquainted, and add to your list of agreeable friends.

Robin-Kiser Building

The Robin-Kiser building on Napa street is rapidly nearing completion. The build is 22x50 feet and will be used by Messrs. Robin and Kiser as a barber shop with five or six baths attached. They will also conduct a cigar store and have two billiard and pool tables. We bespeak for the new firm abundant success in their new enterprise. Contractor P. E. Johnson is doing the work.

Dunbar Building

Contractor Warriner is rushing work on the large two story Dunbar building on Broadway. When completed it will be a very substantial and attractive improvement to the city's new business structures. Mr. Dunbar will occupy the lower floor as a hardware and plumbing establishment and the upper story will be used as a lodge room and for social gatherings.

Trustees Meet Tonight

The Board of Trustees of the city of Sonoma meet this evening for the purpose of formally accepting the new city hall which is now completed. The building has been well and faithfully constructed in every detail and is one of the most beautiful and substantial of its kind in California.

Get good shoes at Hotz's. New line just received.

CORNER STONE LAID

A vast concourse of people from all over Sonoma County, gathered in Santa Rosa yesterday, to witness the ceremony of the laying of the corner stone of the new county court house. The Masonic Grand Lodge of the State of California, accompanied by the Sir Knights and other masonic bodies acting as escorts, marched to the scene headed by Park's Brass Band.

After the usual prayer, Chairman Austin, of the Board of Supervisors, in a neat speech, invited the Grand Lodge in the name of the people of Sonoma county, to proceed to lay the corner stone. Judge Emmet Seawell, presented Grand Master, W. Frank Pierce, with an elegant silver trowel, prepared for the occasion. The ceremony then proceeded and the stone was laid in due and ancient form. Judge Albert G. Burnett was then introduced as the grand orator, and spoke eloquently and at great length. His was a masterful effort and held the interest of the great audience to the last.

Aaron Siever Dead

Aaron Siever, of the Riverside Hotel, Glen Ellen, passed away there yesterday morning at 5 o'clock. He had been ailing for some time but until recently, had been improving in health. On Tuesday, he suffered a relapse from which he never recovered.

He leaves a devoted wife to mourn his loss. She has the sincere sympathy of all in her bereavement.

Mr. Siever had been a resident of Glen Ellen for many years and was of a genial, kindly disposition, and held in high esteem by all who knew him. He was a native of Virginia and 72 years, 1 month and 10 days old at the time of his demise. The funeral services will be held in the Congregational Church, Glen Ellen, to-morrow afternoon at 1:30 o'clock. Interment will be in Mountain Cemetery in this city.

Funeral of Boggs Carriger

The funeral of the late Boggs Carriger took place from Bates Undertaking Parlors last Sunday afternoon and was largely attended by sorrowing friends and relatives.

Mr. Carriger was a former well known resident of this valley and a brother of Sol Carriger. Mrs. L. L. Lewis and the late Mrs. Schutter of Elmhurst, who will be buried in Oakland to-morrow morning.

Two deaths in the family within the one week is very sad and the sincere sympathy of a large number of friends and acquaintances, goes ont to the relatives in their double bereavement.

Cadets Visit Sonoma.

The First California Cadets rode over on their bicycles from Petaluma last Sunday morning, and spent the day in this city. After arriving, they entertained the people with a bicycle parade twenty-five strong.

The main object of their visit was to arrange with the local High School Boys' Basket Ball team for a matched game in Union Hall. The game will be played tomorrow, (Saturday) evening, commencing at 9 o'clock sharp. The usual admission will be charged.

Runaway Yesterday.

Yesterday afternoon a horse and buggy belonging to Mrs. Kate Murray of El Verano, took a lively spin out Napa street.

The animal became frightened while hitched to the railing at the plaza, and breaking the hitch rope, started on a dead run for home.

The excited steed brought up against the fence near the city limits, and seemed willing to stop for a rest. Floyd Reed brought the rig back to town and turned it over to the owner.

Luckily no damage was done.

Mrs. Schell Ill

Mrs. Georgiana Schell, the well known and highly respected pioneer of this valley, is quite seriously ill at her home in Schellville. Her host of friends here and elsewhere throughout the State, hope soon to hear of her restoration to health.

CARD OF THANKS

Grateful thanks are returned to friends for many kindnesses received during the long sickness and upon the death of our beloved husband and parent Thomas Rea.

Mr. Heney Replies.

The gentlemen of this city who secured and sent the names of 100 citizens to an address heartily indorsing the work of the graft prosecution in San Francisco have received the reply, which in part is as follows:

"It is highly gratifying to the District Attorney, Hon. William H. Langdon, and those associated with Lim in the prosecution, including myself, to receive this encouraging message from the good people of Sonoma county. You may assure your fellow citizens that the graft prosecution will keep up the work with energy and determination to the end, whatever obstacles may be thrown in our path by a powerful and unscrupulous opposition.

We realize that while in one sense our fight is local to San Francisco, in a larger sense it is a fight for civic decency and common honesty in government that will have a far-reaching effect throughout our country, provided we are successful. An enlightened public opinion will do much to help us, and such messages as yours stimulate us greatly to go ahead unfalteringly. They show that the heart of the public is sound."

Very respectfully yours,
FRANCIS J. HENE

Natives Have Fine Time

One of the most enjoyable and successful meetings in the history of Sonoma Parlor, No. 111 N. S. G. W., was held in I. O. O. F. Hall last Monday evening. Grand Trustee. Thos. Monahan, of San Jose, honored the Parlor with an official visit, and instructed the brethren in the work of the order.

After the ceremonies and business of the meeting, the Natives and their guests sat down to a specially prepared supper served in the banquet room just across the hall by the Womrns' Club. President Raoul R. Emparan ably filled the position as toastmaster and the many toasts presented were met with eloquent and witty responses.

Grand Trustee Monahan, the guest of honor, responded to the toast, "Good of the Order." Attorney Frank Sprague made an eloquent and forceful talk on "The Native Sons and the State." He was listened to with rapt attention throughout his thoughtful address. M. F. Cummings spoke feelingly of "Our Departed Brothers," and his remarks were well received. Among those who entertained the assembled natives and friends with short and appropriate talks were: Dr. H W. Gottenberg, Dr. A. M. Thomson.

The musical part of the program was delightfully carried out and hearty applause was given each number. Jack Kelly sang a song and Jep Valente and Fred Marzo also favored the banqueters with vocal selections. Mrs. L. V. Emparan sang two pleasing vocal solos. Geo. Tyler, a guest at Sonoma Grove, proved himself an artist of unusual ability by cleverly rendering several recitations and comical songs.

While working on a building yesterday, Carpenter E. E. Harris accidentally cut his left wrist badly with a chisel. It took five stitches to close the wound.

BUSYBODIES VS. TRUTH.

Here Are The Facts—Judge For Yourself.

Busybodies who see in success only falsity, who, without making an effort to inform themselves, blatantly cry offense against honesty and truth—seem to forget that a slur against Dr. Pierce's well-known non-alcoholic family remedies is a slur against the intelligence of thousands of clear-thinking American women who know they have been helped and cured by Dr. Pierce's Favorite Prescription. It is not a "patent medicine" in any sense—it is simply the favorite remedy which Dr. Pierce used in an extended practice for the treatment of the diseases peculiar to women.

Truth and Influence. A name for honesty and square dealing is better than great riches. Fraud is a bubble that soon bursts. Dr. R. V. Pierce has always been known to speak the truth—his famous medicines are founded on the rock of public approval and have thousands of truthful testimonials as to their ability to cure diseases for which they are recommended.

True Speaking. No man ever lost a prospective customer through telling the truth. In the long run Dr. Pierce believes the truth will prevail and he is therefore not afraid to make public his formula.

Valuable Trade Secrets. The ingredients of Doctor Pierce's Favorite Prescription are given to the public. He vindicates the excellence and harmless character of his "Prescription" by letting ailing women know just what they are taking when they use this reliable tonic and nervine for the diseases and illnesses peculiarly feminine. These ingredients are combined in just the right proportion to make an efficient remedy, without the use of a particle of alcohol, and they are as follows: Golden Seal root, Black Cohosh root, Unicorn root, Blue Cohosh root, Lady's Slipper root, with chemically pure glycerine of proper strength for extracting and preserving the active medicinal principles residing in the above native roots.

No Alcohol Used. Dr. Pierce never believed it necessary or advisable to use alcohol in the preparation of either his "Favorite Prescription" for weak women, or his "Golden Medical Discovery," the well-known alterative tonic, which is so largely used as a remedy for indigestion, torpid liver, bad blood and kindred ailments. Over forty years ago, he discovered that chemically pure glycerine is a far better solvent of most of the active principles residing in our native medicinal plants when used at a proper and sustained temperature than is alcohol; and, furthermore, he found that a glyceric extract kept much better than an alcoholic one, and that the glycerine possessed intrinsic remedial value, being demulcent, nutritive and an effective anti-ferment. Although costing somewhat more, Dr. Pierce predicts that glyceric medicinal extracts will, in the not distant future, largely replace alcoholic ones so generally prescribed by physicians and put out by proprietary or "patent medicine" manufacturers, as being more efficient and entirely free from the serious objection of making inebriates when used in lingering or chronic cases, where a somewhat protracted use of medicine is necessary no matter how good or well adapted to the case it may be in order to obtain permanent results.

Dr. Pierce's When the "Favorite Prescription" is not quite laxative enough, as in obstinate constipation, the little, pleasant, sugar-coated "Pellets" should be taken to aid the "Prescription." One or two for a laxative, two to four for a cathartic. They alone have been known to cure many bad cases of stomach trouble, dyspepsia and indigestion. They act on the liver and regulate the bowels. Put up in glass vials, corked, therefore, always fresh and reliable. **Pleasant Pellets.**

TALKS ON TEETH

BY

DR. VAN VROOM

Sixth and Market Sts., San Francisco

It seems a wonderful and impossible thing to the average "plate" wearer that we can put teeth in the mouth and make them stay there firmly without the use of a plate.

Almost the first question put to us by a plate victim is, "How can you do it? and what holds them in place?"

The Alveolar method of putting in teeth is our secret. The fact that we do the work successfully and that it is both beautiful as well as successful, is proof the secret is valuable.

Given two or more teeth in either jaw, tight or loose ones (we make the loose ones tight) and healthy, we promise to put in a beautiful set of teeth, each tooth set independently of its neighbor, the whole forming a piece of work that cannot be told from the best that nature can do.

Will they last?

The question usually follows.

We can show hundreds of cases that have been in upwards of four years and are, if anything, more firmly intrenched today than when the work was finished.

They will outlast those who are wearing them.

Will you come in and let us look your teeth over? The consultation and examination are free.

No obligation goes with it to have any work done unless you wish to employ our services.

If we can enable you to do away with a wabbly, unclean, unsatisfactory, painful plate, wouldn't it be the greatest service that could be done for you?

Half the charge of others.

CAUTION—Look out for imitators and impostors. We have NO OFFICES outside of those given below.

If you cannot call at present, write for information.

"One Touch of Nature Makes the Whole World Kin"

When a rooster finds a big, fat worm he calls all the hens in the farmyard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief Behind every one of these letters is a warm-hearted wish of the writer to be of use to some one else. This remedy is for sale by L. S. Simmons.

A Healing Salve for Burns, Chapped Hands and Sore Nipples

Price, 25 cents; large size, 50 cents. Sold by L. S. Simmons.

Wise Talks by the Office Boy Repeated

Elbert Hubbard says that art is nothing but the beautiful way of doing things, that he thinks it's a mighty sight better to have a few things and have 'em nice and artistic than to have a whole lot of cheap circus stuff.

I heard Jesse and Ben telling that we got out the fine suits first, and whenever we had extra nice duds

for men and boys and thought we couldn't sell them because they were a little too nice, that they were the very first we were shy on, but we had about twice as much fine tailored stuff this year than usual and they think that everybody can be pleased this season.

Some one has said "There never was so much room for the best as there was today."

SIMPLE HOME RECIPE

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparille, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes rheumatism.

Some persons who suffer with the affliction may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommend it as harmless.
